Prayer in the name of Christ has power with God.  
 God is well pleased with His son Jesus Christ. He hears him always and He also answers prayers when really asked in his name.

Jesus chose the early morning hour for prayer. Many of the mightiest men of God have followed the Lord's example in this. In the morning the mind is fresh and at its best. Furthermore when the early hours are spent in prayer the day is sanctified, and power is obtained for overcoming temptation, and for performing duties. We should get victory before the hour of trial, temptation or service comes. The secret place of prayer is the place to fight our battles and gain the victories

"Lord, teach us to pray!"

Brother and Sister Wesley Walls returned Thursday evening from their honeymoon.

We wish them happiness, health and God's richest blessings throughout their lives.

On Nov. 4th at 7:30 P.M. Sister Pearl Schaffer, returned Missionary from China will speak to us. Everyone make a special effort to be present. She will have an interesting message for us.

The Motorcade consisting of Sister Shott, Pearl Schaffer, and Brother and Sister Walls will leave Waterloo Monday and will visit several churches where they hope to create real interest in our missionary fields. Send your prayers with them.

Brother Walls will speak next Sunday morning on the subject "Zion's Strength".

The inner side of every cloud is bright and shining--

I therefore turn my cloud about,  
 And always wear it inside out,  
 To show the lining.

Perhaps the greatest mission field in this country is the one which is marked off by the barrier of race.

To deny justice and fair play to an American because of color or race is a pagan as the caste distinctions of India are unchristian.
